The initial, annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Lot Owner at the time when the assessment fell due. An adequate

reserve fund for the maintenance, repair, and replacement of items maintained by the Townhouse Association pursuant to this section shall be established and funded by regular monthly payments rather than by special assessments.

Section 3. Maximum Annual Assessment.

(a) Until January 1, of the year immediately following the conveyance of the first Lot to a Lot Owner, other than Developer, the maximum annual assessment shall be ONE HUNDRED TWENTY (120) Dollars per Lot payable in monthly installments on the first day of each month of TEN (10⁰⁰) Dollars each.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to a Lot Owner, the maximum annual assessment may be increased each year not more than the percentage increase in the Consumer Price Index during the previous year above the maximum assessment for the previous year without a vote of the Association membership.

(c) From and after January 1 of the year immediately following the conveyance of the first Lot to a Lot Owner, the maximum annual assessment may be increased above said percentage by a vote of two-thirds (2/3) of each class of Association members who are voting in person or by proxy, at a meeting duly called for this purpose.

(d) The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment

year, a special assessment to pay in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Association members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article V shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments Due Dates. The annual assessments provided for herein shall commence as to Lots not owned by the Developer on the first day of the first month following the deed of the first Lot to a Lot Owner. As to Lots owned by the Developer the annual assessments shall

commence as to each Lot when the improvements constructed on the Lot are completed and ready for occupancy. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Lot Owner subject thereto. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Non-Payment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be subject to a late charge in an amount established by the Board of Directors and shall bear interest from the due date at the rate of eighteen (18%) percent per annum. The Association may bring an action at law against the Lot Owner personally obligated to pay the same, or foreclose the lien against the Lot. No Lot Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments on any Lot provided for herein shall be subordinate to the lien of any first

mortgage now or hereafter placed on the Lot. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 1. Common Area. The Townhouse Board shall obtain insurance for its Townhouse Units, exclusive of the additions within, improvements to and decorating of the Townhouse Units against loss or damage by fire, vandalism, malicious mischief, and such other hazards as are covered under standards extended coverage provisions, for the full insurable replacement cost of the Townhouse Units and against such other hazards and for such amounts as the Townhouse Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Townhouse Units, or any part thereof, to substantially the same condition in which they existed prior to damage or destruction. Such insurance shall comply with all applicable insurance laws and shall at a minimum be in an amount at least equal to that which is commonly required by prudent institutional investors in the area. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Townhouse Board as the trustee for the Townhouse Lot Owners in proportion to the square footage of each Townhouse Lot Owner's compared to the square footage in all the Townhouse Parcel Units, and for the holders of mortgages on the Townhouse Lots, if any, and shall include a standard mortgage clause or equivalent endorsement. The policy of insurance shall provide that it may not be cancelled or substantially modified without at least 10 days' written notice to the Townhouse Association. The policy of insurance shall be a "blanket" or "master" type of policy and should also contain a waiver of subrogation rights by the insurer against the Townhouse Lot Owners. The premiums for such insurance shall be a Townhouse

Association expense. However, at the option of the Townhouse Board, and upon written notice to all Townhouse Lot Owners, premiums for such insurance shall be separately billed to Townhouse Owners based upon their respective square footage in the Townhouse Lots.

In the event of damage to or destruction of any Townhouse Units or Townhouse Common Elements as a result of fire or other casualty covered by insurance proceeds (unless more than 2/3 of all Units require reconstruction), the Townhouse Board shall, in its sole and absolute discretion, determine and without intervention of any Townhouse Lot Owner arrange for the prompt repair and restoration of the damaged portions of all Townhouse Units and Townhouse Common Elements substantially in accordance with the original plans and specifications therefor. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Townhouse Lot Owners with each Townhouse Lot Owner to bear a proportion thereof based upon the percentage of square footage in his Townhouse Unit compared to the total square footage in all Units in the Townhouse Parcel. The Townhouse Board shall not be responsible for the repair, replacement or restoration of any wall, ceiling or floor decorations or covering, or for furniture, furnishings, fixtures, appliances or equipment installed in the Townhouse Unit by a Townhouse Lot Owner or Occupant unless insurance therefor is specifically provided for in the insurance policy obtained by the Townhouse Board.

The Townhouse Board shall also obtain comprehensive public liability insurance, in such amounts as it deems desirable, which shall be at least \$1,000,000 for bodily injury, including deaths of persons and property damage arising out of a single

occurrence, and workmen's compensation insurance and other liability insurance in such amount as it deems desirable, insuring each Townhouse Lot Owner, mortgagee of record, and the Townhouse Association, its officers, directors and employees, Developer, and the Managing Agent, if any, from liability in connection with the Townhouse Parcel. The premiums for such insurance shall be a common expense. The policy shall provide that it may not be cancelled or substantially modified without at least 10 days' written notice to the Townhouse Association. However, at the option of the Townhouse Board, and upon written notice to all Townhouse Lot Owners, premiums for such insurance shall be separately billed to each Townhouse Lot Owner with each Townhouse Lot Owner to bear a proportion thereof based upon the percentage of square footage in his Townhouse Unit to the square footage in all Units in the Townhouse Parcel. The Board shall retain in safekeeping any such public liability policy for six (6) years after the expiration date of the policy.

Unpaid Officers and Directors of the Townhouse Association shall not be liable to any Townhouse Owner for any act or omission unless the act or omission constitutes gross negligence or willful misconduct. If an unpaid Director or Officer of the Townhouse Association prevails in any legal action brought against him in his official capacity by a Townhouse Owner, that Townhouse Owner shall pay the Director or Officer all his reasonable legal fees.

The Townhouse Board shall also obtain such other insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Townhouse Parcel and each member of the Townhouse Board and officer of the Townhouse Association, and each member of any committee appointed pursuant

to the By-Laws of the Townhouse Association, from liability arising from the fact that said person is or was a director or officer of the Townhouse Association, or a member of such a committee. The premiums for such insurance and bonds shall be an expense of the Townhouse Association.

Each Townhouse Lot Owner shall be responsible for obtaining his own insurance on the content of his Townhouse Lot, as well as his additions and improvements thereto, and for decorations, furnishings, and personal property therein, and personal property stored elsewhere on the Townhouse Lot, if any. In addition, in the event a Townhouse Lot Owner desires to insure against his personal liability, loss or damage by fire or other hazards above and beyond the extent that his liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Townhouse Board for all of the Townhouse Lot Owners as part of the common expenses, as above provided, said Townhouse Lot Owner may, at his option and expense, obtain additional insurance.

Section 2. Fidelity Bonds. Blanket fidelity bonds will be maintained by the Townhouse Association for all officers, directors, trustees, and employees of the Townhouse Association handling or responsible for funds of or administered by the Townhouse Association or any other persons handling or responsible for funds of or administered by the Townhouse Association. Further, in the event the Townhouse Association delegates some or all of the responsibility for the handling of funds to a management agent, a blanket fidelity bond will be required for officers, employees, and agents of such management agent handling or responsible for funds of, or administered on behalf of, the Townhouse Association.

(b) The total amount of fidelity bond coverage shall be based upon the best business judgment of the officers of the Townhouse Association and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Townhouse Association or the management agent, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bond be less than a sum equal to three month's aggregate assessment on all Townhouse Lots plus reserve funds.

(c) All such fidelity bonds shall:

- (i) Name the Townhouse Association as an obligee;
- (ii) Contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees" or similar terms or expressions; and
- (iii) Shall provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days' prior written notice to the Townhouse Association.

(d) Premiums on all such fidelity bonds (except premiums on fidelity bonds maintained by a management agent for its officers, employees, and agents) shall be paid by the Townhouse Association as a common expense.
